Laughs and Crafts for Kids at the Leesburg Public Library

It's holiday time, so share great films and festive crafts, at "Wednesdays "R" Wonderful @ the Library."

On December 3, Tim Allen stars in a brand new holiday film that will make kids and parents alike say, "Ho ho ho." You won't want to miss the film fun, so make your reservation today (we'll provide the popcorn!)

December 10 and 17 are days to create decorations to give to friends, or to hang on your holiday tree. On December 10, our craft will sparkle as we make a Disco Ball ornament. December 17, you'll make a crafty ice cream cone that is guaranteed to look good enough to eat.

Every day is fun at the Leesburg Library, but "Wednesdays "R" Wonderful," for school agers. The program goes from 4:00 to 5:00 PM. Reservations are suggested, especially for the film. Call 728-9793, or visit the library's Youth Room for more information.
